To the Merrimac New Hampshire Planning Board:

We have been residents of Wrentham for forty years and we are also business owners in town. We have been active in the town both politically and as members of various organizations.

As a result of our many years of town involvement we would like to share our feelings with you on the Wrentham Outlet Center.

The Chelsea Corp. is a valuable asset to our community in many ways. The managers of the Wrentham Outlet Center have participated in various fund raising events, both in giving of their time as well as merchandise contributed by various vendors of the Outlet Center.

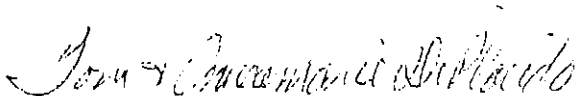

The Chelsea Corp has enhanced the Town of Wrentham's business growth: for example, the customers who shop at the Wrentham Outlet Center, dine in our restaurants, browse through our Antique shops, or stop and have an ice cream at our local ice cream parlor.

Additionally, the Chelsea Corp. has aided our town through the Real Estate taxes, income which has helped to absorb some of the town expenses.

The Chelsea Corp. has been more than willing to compromise on any issues that have occurred, either with the town or its citizens in a most satisfactory manner.

-----We are happy to have the Wrentham Outlet Center as a member of our community.-----

Sincerely,

Tom and Annamarie DiPlacido
