To Whom It May Concern,

Chelsea Property Group has been a part of our community since May 1982. We have found them to be a "good neighbor" to the Borough. They represent an excellent, viable, ratable to our small town. Chelsea has continued to support local community programs, such as Police, Fire, and Economic Development. Their property is well groomed and maintained at all times. They respond and uphold an open line of communication with their surrounding neighbors

Chelsea Property Group would be an asset and a welcome addition to any community.

I may be contacted at (908)782-8840 should you have any further questions.

Sincerely,

**Mary H. Melfi
Council President**
