To Whom It May Concern:

Please be advised as Chief of Police and a member of the Wrentham Host Community Committee I have been involved with the planning process of the Wrentham Premium Outlet Village from its inception. As part of my duties as Chief of Police, I have been involved with the planning and implementation of security, safety and traffic operations to the present time.

I am happy to inform you the management of the Wrentham Premium Outlet Village and Chelsea Properties have been proactive in dealing with issues and concerns relating to public safety throughout their time in Wrentham.

They are responsible corporate neighbors to the community who take their responsibility seriously and act in a professional manner and are a welcome asset to the Town of Wrentham.

Respectfully,
