Merrimack New Hampshire Planning Board:

The purpose of my letter is to express my unconditional support for Chelsea Property Group. As I understand it, they are seeking to construct a premium outlet center in Merrimack, NH

As a former selectman for the Town of Wrentham and now as a Legislator representing the town, I have had an opportunity to work closely with Chelsea Property Group's Wrentham Village Premium Outlets. I believe that the Group has been very responsive to Wrentham's needs and concerns and the Group is always willing to accommodate Wrentham's specific requests. I have no doubt that they would offer this same courtesy and respect to Merrimack, New Hampshire.

I have enjoyed working in many different capacities with the management team of Wrentham Village Premium Outlets, not only as a local resident but as a public official.

I hope you consider working with the Chelsea Property Group and I believe that your town would benefit greatly from the proposed partnership.

Please contact me should you have any questions or concerns.

Sincerely,

RICHARD J. ROSS

State Representative
